Pupil Premium Grant (PPG Allocation) for 2014/15 was £7920

Number of pupils and pupil premium grant (PPG) received	
Total number of pupils on roll	108
Total number of pupils eligible for PPG	6
Amount of PPG received per pupil	£1320
Total amount of PPG received	£7920

Nature of support

The funding received from pupil premium in 2014-15 was allocated in the following ways:

- To provide targeted support across the school for learning and behavioural needs.
- Funding an additional TA leading intervention in focused on Y2 and KS2 aimed at improving outcomes for identified children, including those who are FSM. It is also used to part fund the TA support in every class to facilitate the Trinity Learning Model ensuring all children have access to quality first teaching throughout the morning focus on literacy and numeracy.
- In addition to this we use the funding to pay for access to the cluster Parent Support Worker. This is an essential service which parents can access either from our referral or through request from themselves.
- Parents who eligible for FSM can also, if requested, access subsidised uniform costs where we will pay 50% of costs to ensure they can afford new uniform.
- To fund Cool Milk to provide free milk for all Reception children.

Measuring the Impact of the Pupil Premium Spending

The Impact of the Pupil Premium for 2014-15 was:

- All children who are eligible for Pupil Premium this year were in years 3 & 4 so no reported data to show. However, in school data shows a positive impact:
- Disadvantaged pupils (only in Y3 & Y4), 6 in total across the school, make consistently good progress in all subjects and in fact in some areas make more progress than their peers:

Year 3 (4 pupils) Disadvantaged Pupils	APS (exp 23)	Progress made (exp +4)	APS of peers	Progress of peers
Reading	21.75	+4.0	22.2	3.3
Writing	21.5	+4.25	21.1	3.1
Maths	21.75	+4.5	21.5	3.0

Year 4 (2 pupils) Disadvantaged Pupils	APS (exp 23)	Progress made (exp +4)	APS of peers	Progress of peers
Reading	22	5.0	27.5	5.7
Writing	19.5	3.0	25.6	4.1
Maths	25	4.0	26.8	5.2

This is based on the schools assessment system and does not relate to old National Curriculum levels.

Exp – Expected; APS – Average Point Score

- Although children are slightly below the expected attainment for their age group, with the exception of Year 4 maths, the children made at least expected progress and in some cases above expected progress with the exception of Year 4 writing.
- Attendance of disadvantaged children has improved, almost reaching the national target at 94.6% as a group.

Pupil Premium Allocation for 2015-16: £9240

Proposed use of the funding for 2015-16:

- Narrowing the gap in attainment that the pupil premium children achieve in relation to national average by:
 - Sustaining the quality teachers and teaching assistants currently employed at the school
 - Supporting disadvantaged pupils to access day visits, clubs and uniform
 - Purchasing specific programmes to meet the needs of the disadvantaged children
 - Utilising the parental support advisor to support disadvantaged children and families
- Increase the attendance of Pupil Premium children so that the gap is closed between them and their peers
